## **All Systems Go At Western Fair**

LONDON, Ontario (January 26, 2010) . . . After being forced to cancel yesterday's card of racing due to unseasonable weather conditions, Western Fair Raceway's card for today will go postward as scheduled.

Today's 12 race card will get underway at 3:35 p.m. A pair of horses with two race winning streaks on the line will square off in the third race, a \$7,000 conditioned pace. Jiffyson, a six-year-old Village Jiffy gelding, has won both of his 2010 starts so far in this class at the London half-miler.

Owned by breeder Duane Lamb of Goderich, Ontario, Jiffyson has won five of his last six races at Western Fair over the past three months. His only start that wasn't a victory during that period was a close second place finish. Jiffyson will start from post three in today's third race with his regular driver Trevor Henry at the lines.

Also riding a two race winning streak coming into today's third race is Justalittleluck who will leave from post eight with Nick Steward at the controls. The four-year-old Northern Luck gelding is owned by breeder Martin O'Toole of London. Justalittleluck's dam is Sunnie Corleone who raced with regularity at Western Fair a few years ago.

As usual, program pages and live video for today's card are available at [www.westernfair.com](http://www.westernfair.com) <<http://www.westernfair.com/>> .
