## Wall On Verge of 7,000 Career Wins

While the main story at Western Fair Raceway tonight will be the track's signature event, the \$312,000 Molson Pace, the subplot sees Dave Wall poised to reach a significant milestone. One of the London, Ontario track's most popular drivers for many years, Wall has lingered at 6,999 career victories for a week. He could easily obtain that one victory to put him at the 7,000 lifetime win mark during this evening's program at Western Fair.

Wall has six chances tonight starting with Stress Buster in the first, In A Twinkling in the third, K H Carlton in the fourth, Lily Ellie in race five (the \$130,000 Ontario Sires Stakes Gold Final), Mighty Me in the 12th race and After Lunch Larry in the final race on the card. Five of the horses Wall is scheduled to drive this evening are trained by his son Dean.

Tonight's program is available through the link below. The full card may be watched live on [www.westernfair.com](http://www.westernfair.com).
