

# CONNECTING TO THE WESTERN FAIR WIRELESS HOTSPOTS CANADA, PROGRESS & AGRIPLEX BUILDINGS

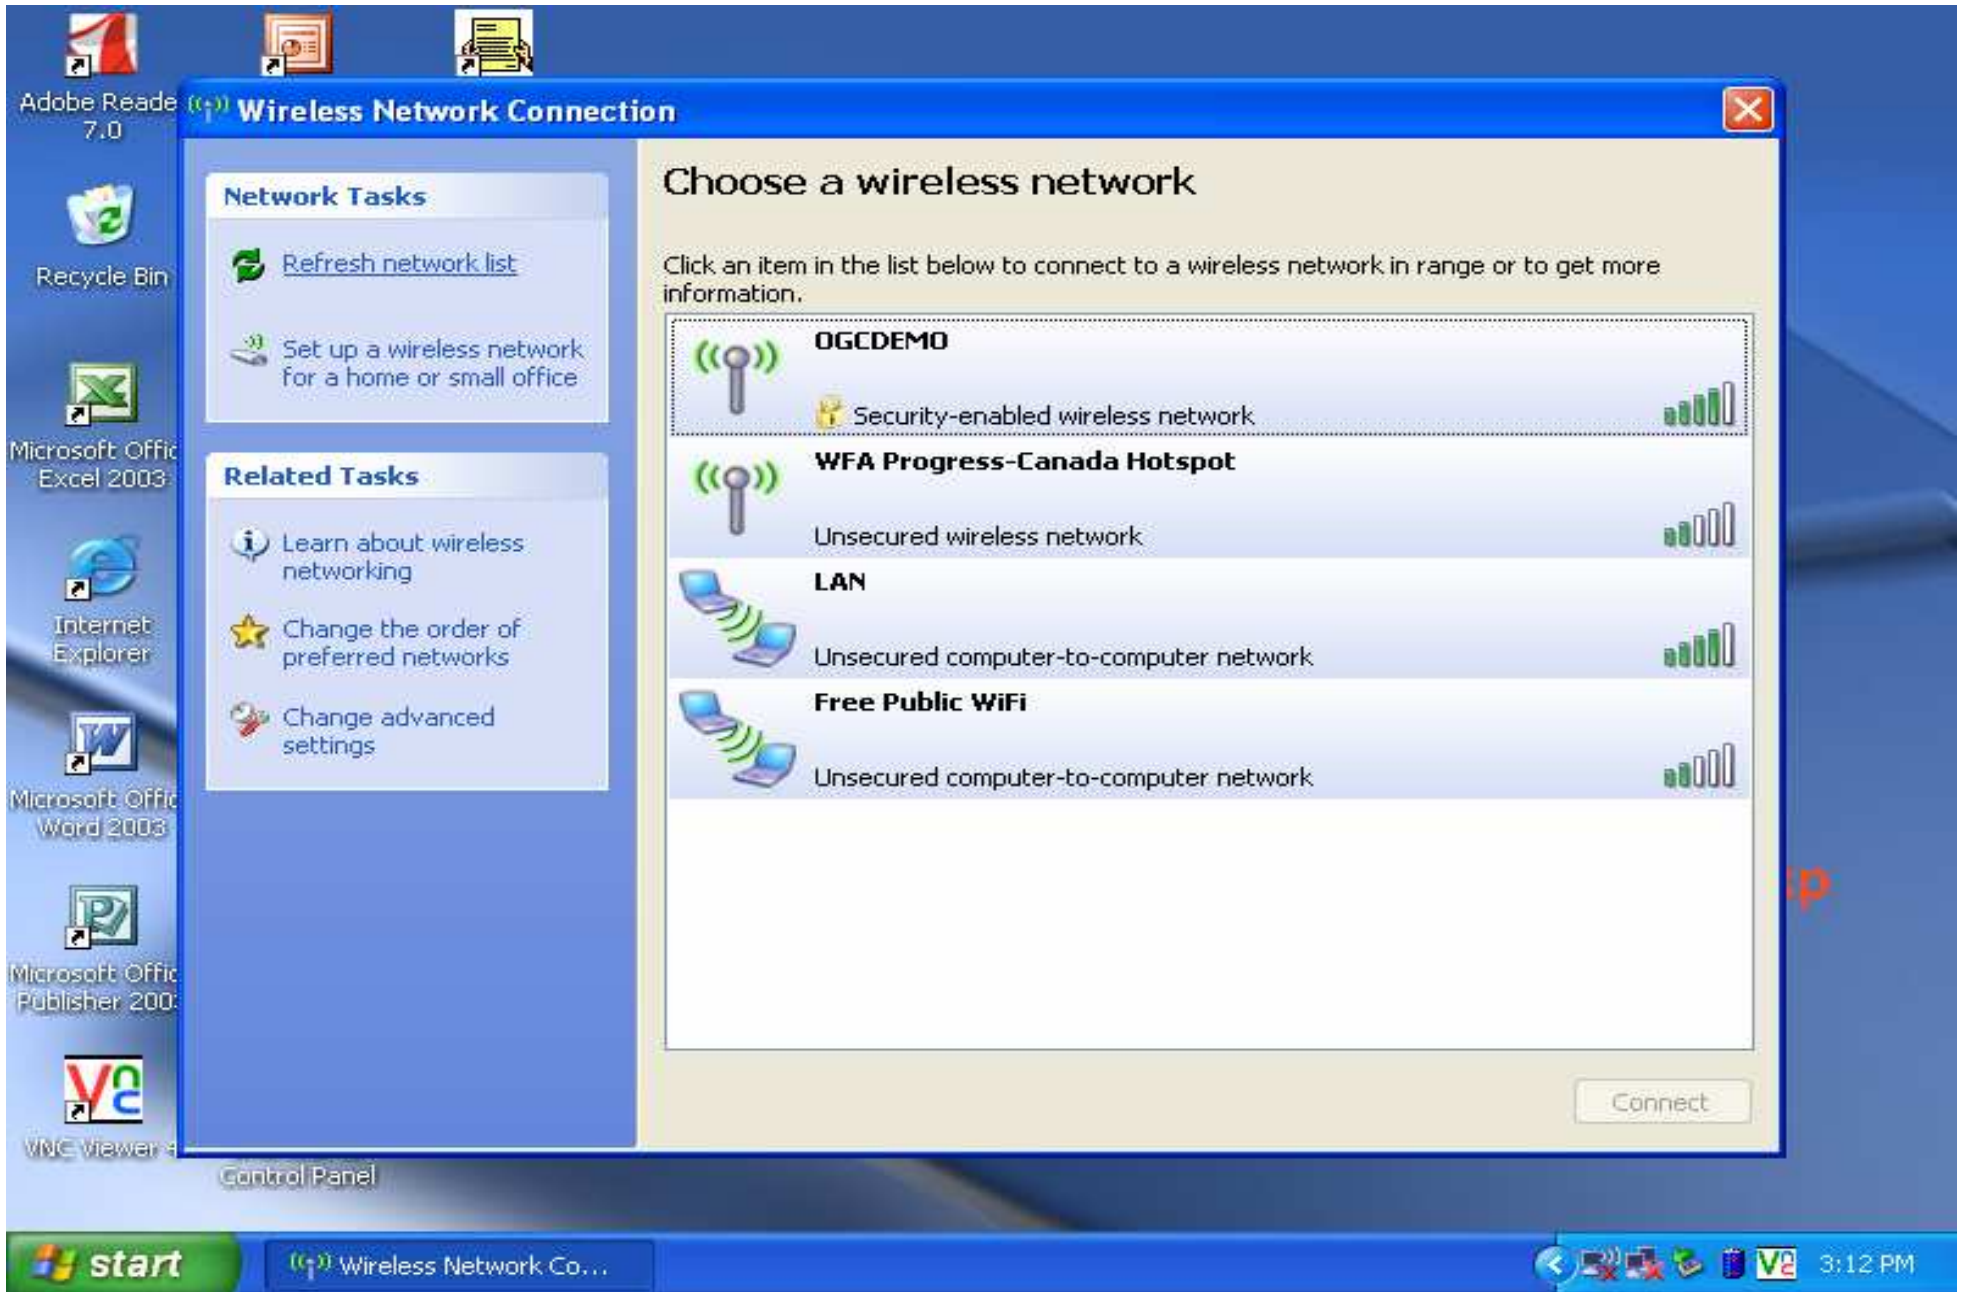

(A Wireless Network Card Is Required To Access Free Internet)

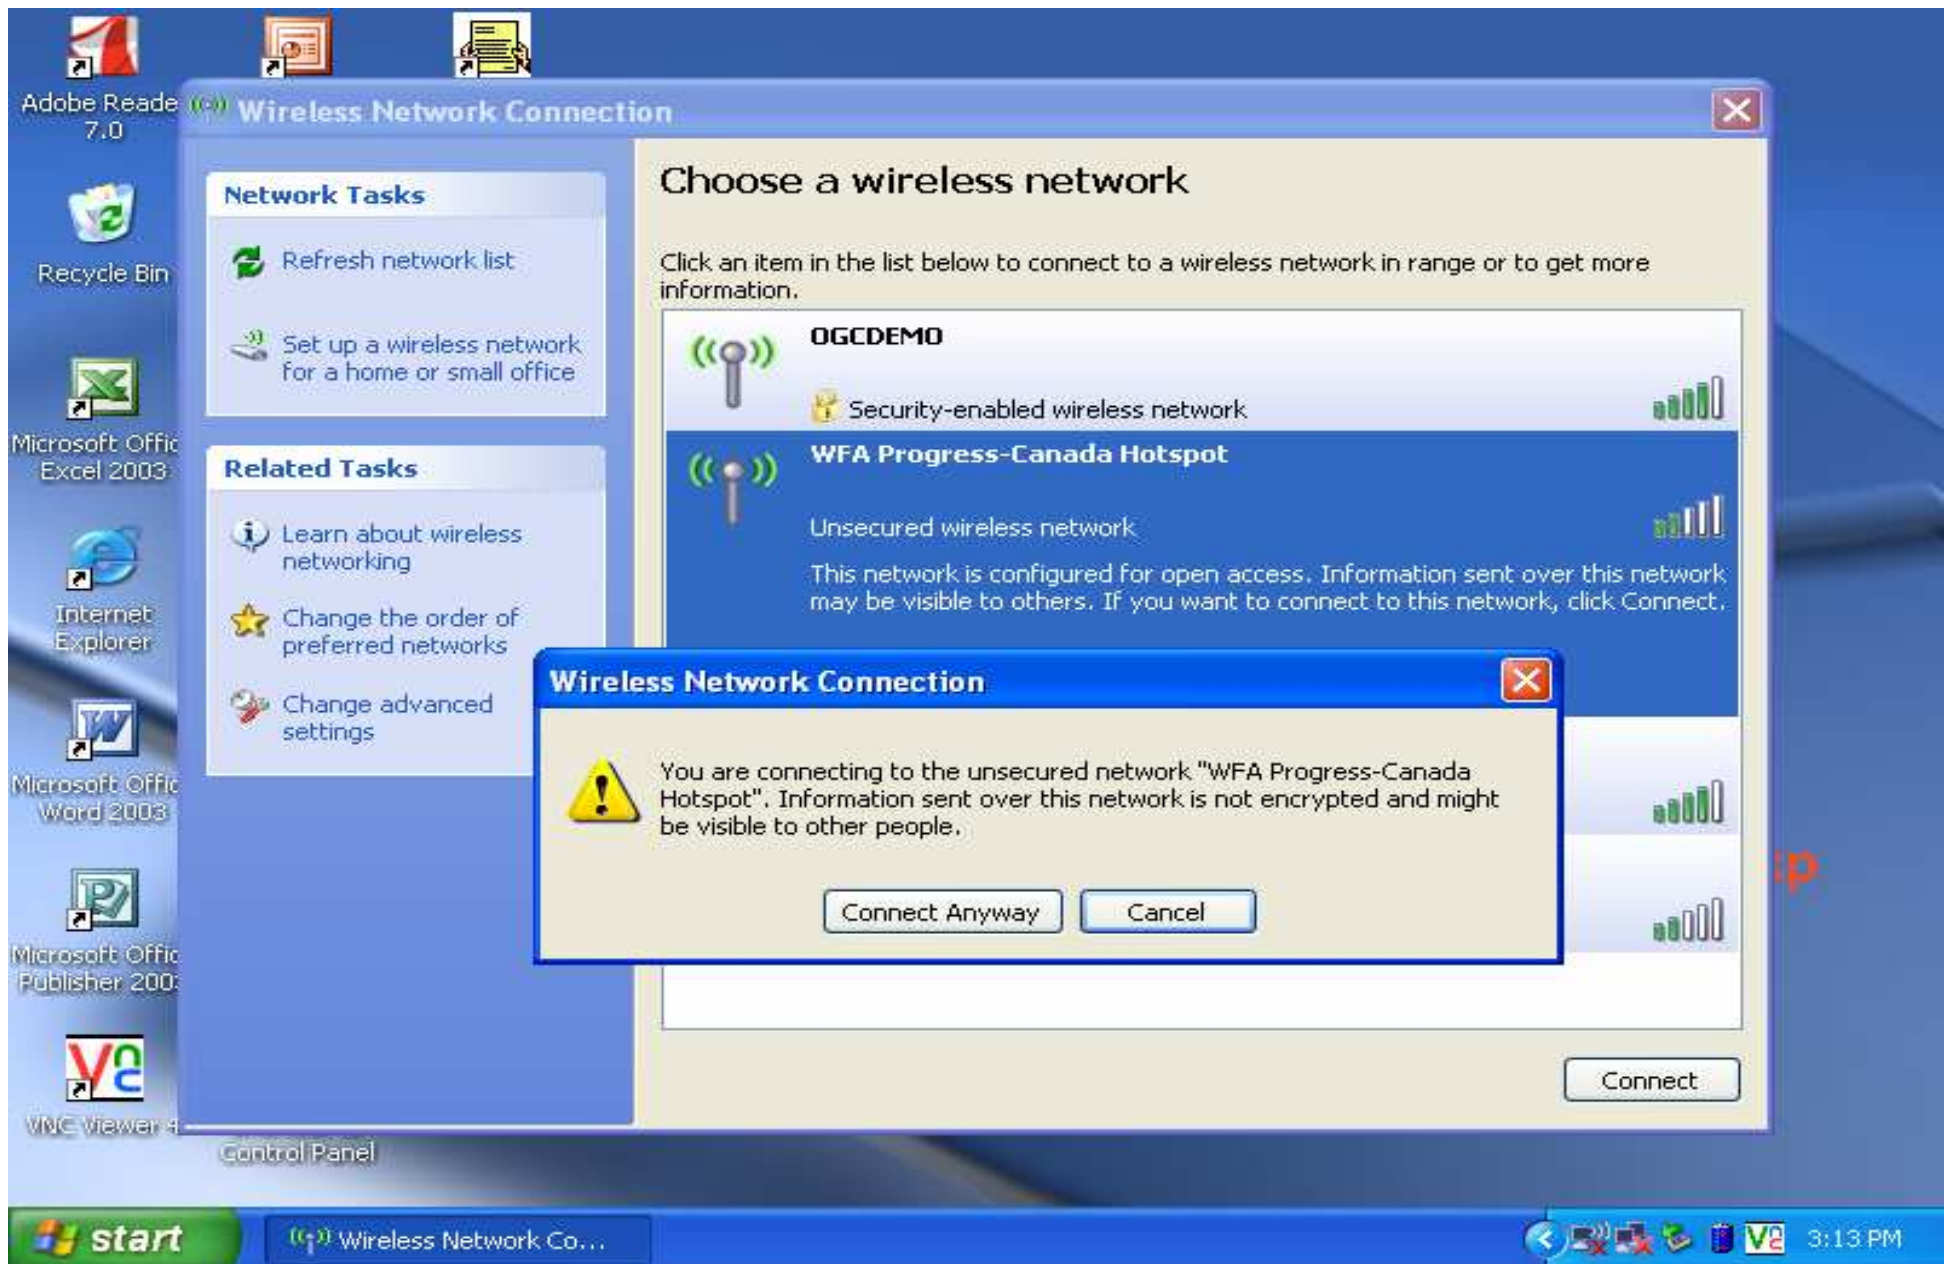

**STEP 1— Open the Control Panel on your computer and select NETWORK CONNECTIONS.**

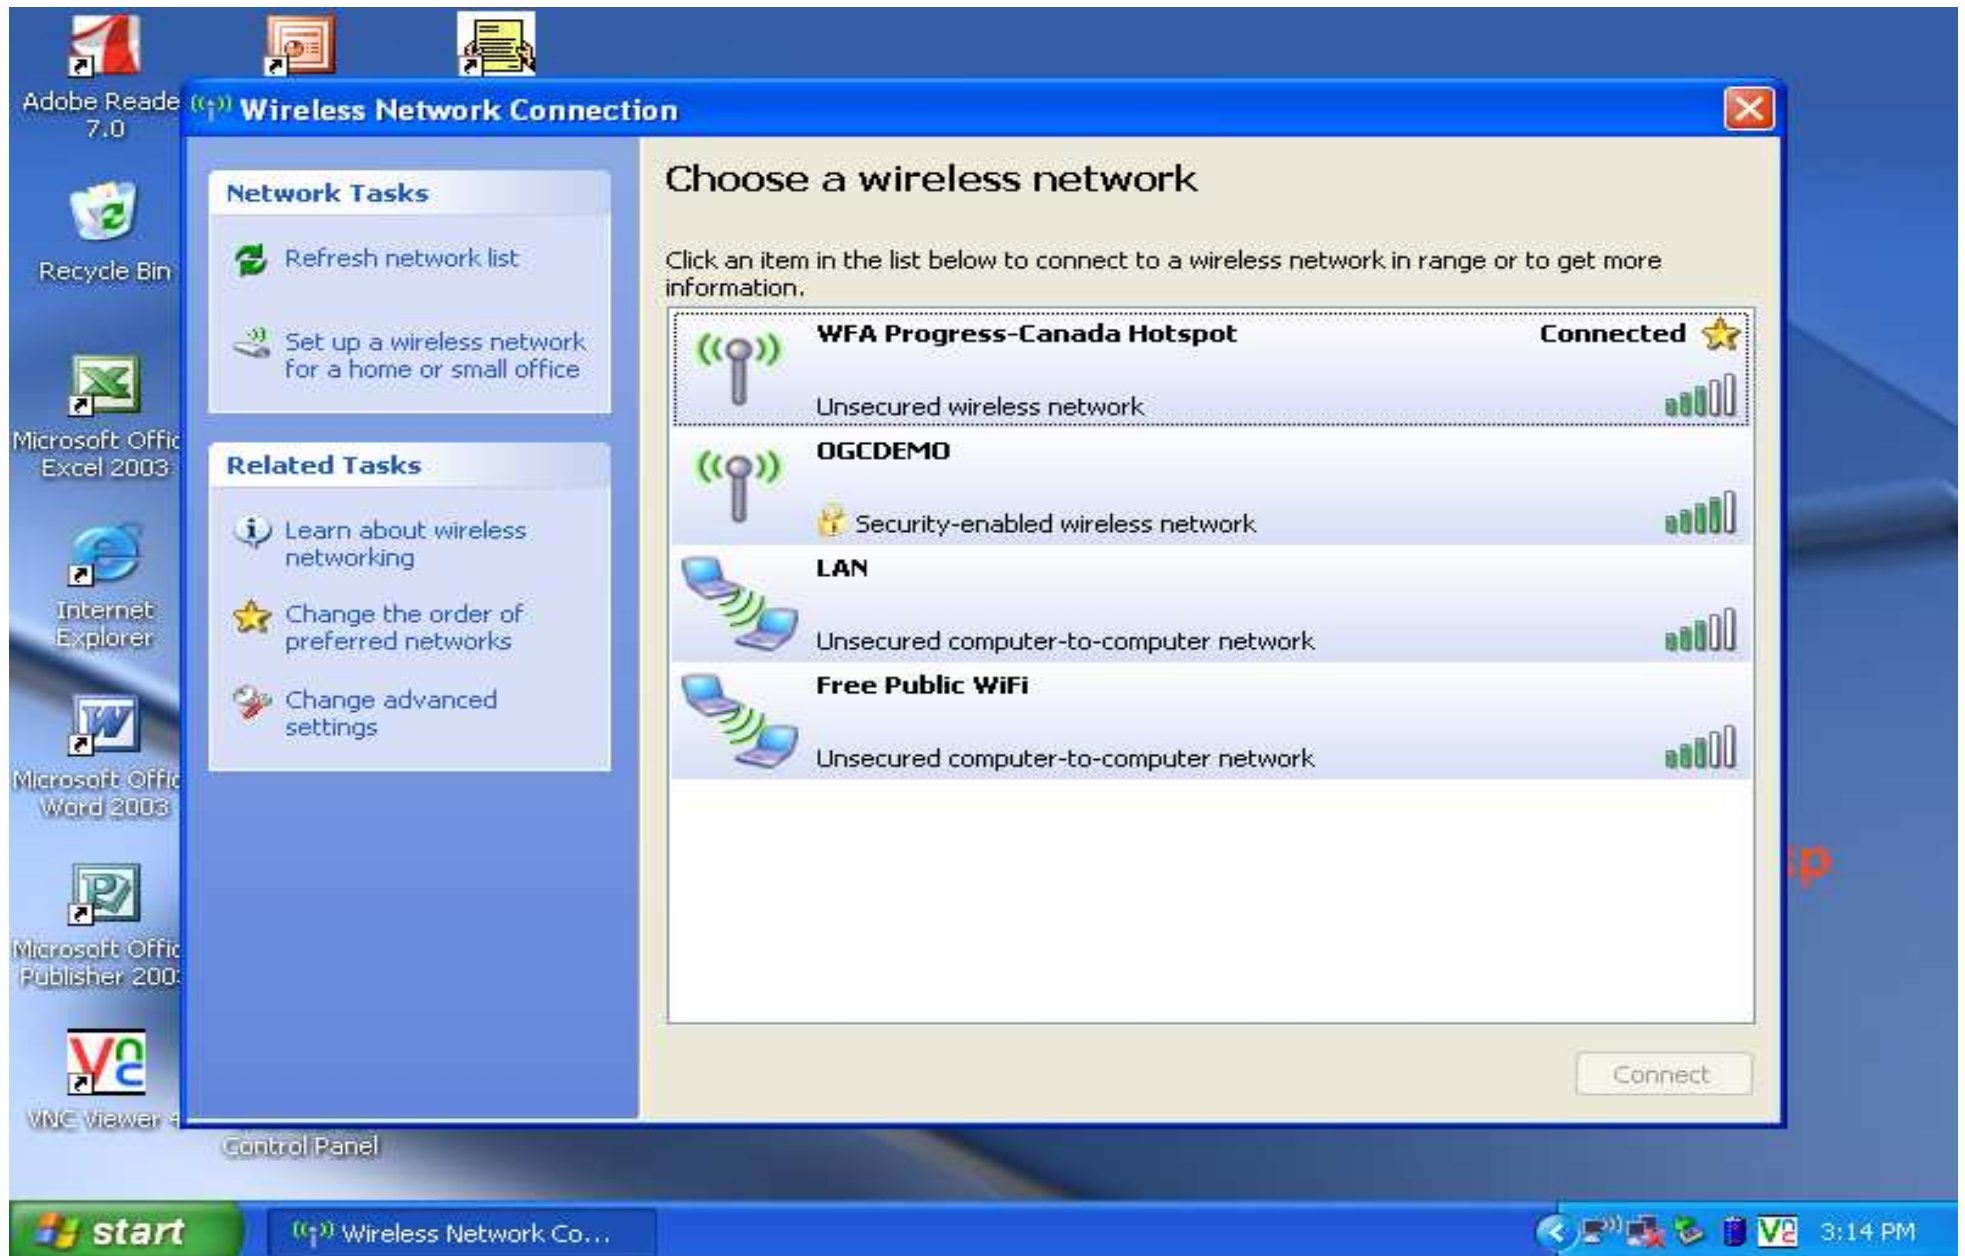

**STEP 2— Right Click on WIRELESS NETWORK CONNECTION, and select VIEW AVAILABLE WIRELESS NETWORKS.**

**STEP 3— Select WFA PROGRESS–CANADA HOTSPOT or WFA AGRIPLEX HOTSPOT. Ignore any other wireless network that may be in the area.**

**STEP 4— Once you select the proper WFA wireless network, click **CONNECT ANYWAYS**. This is an unsecured connection and is available to all.**

**STEP 5— Check to make sure you see **CONNECTED** beside the WFA Wireless Network. Your Wireless WFA Hotspot is now active. Thank you and enjoy.**
