QUEEN'S PARK

LONDON, ON

RULES AND REGULATIONS GOVERNING ALL SHOW EXHIBITS

General Provisions

1. (a) The Term "General Manager" as used herein shall mean the General Manager of the Western Fair and/or such other person, for the time being, in charge of the business of the Association or the conduct of the show.

(b) The Term "Board" used herein shall mean the Board of Governors of the Western Fair Association.

(c) The Term "Association" used herein shall mean the Western Fair Association.

(d) The Term "Exhibitor" as used herein shall include all exhibitors, educational, commercial, vendors and concessionaires.

2. Any word used in the singular where the context permits shall include the plural or vice versa.

3. The Board reserves the right to alter, amend, add to or cancel any of these rules and regulations without prior notice.

4. **The Board reserves the right in individual cases to waive compliance with any particular rule or regulation at any time.**

5. The decision of the Board on any question of interpretation of these rules and regulations shall be final, conclusive and binding on all parties.

6. The decision of the Board on any dispute or difference arising between any exhibitor and the Association, or its officers, shall be final, conclusive and binding upon the parties.

Allotment of Space

7. THE BOARD RESERVES THE RIGHT TO CANCEL AT ANY TIME, ANY SPACE ALLOTMENT TO ANY PERSON, PERSONS OR CORPORATION WITH OR WITHOUT REFUND, AS THE BOARD SHALL DECIDE FOR THE VIOLATION OF ANY RULE OR REGULATION; OR FOR ANY MISREPRESENTATION WHATSOEVER, EITHER WRITTEN OR VERBAL, IN ANY APPLICATION FOR SPACE ALLOTMENT. ALL SPACE ALLOTMENT IS ACCEPTED BY THE EXHIBITOR SUBJECT TO THESE CONDITIONS.

8. **The Association may accept or reject, or accept conditionally on terms, any application for space with or without cause. Space contracts are valid for the current show only and no contract implies that the same space or amount of space will be contracted for in another year.**

9. **No exhibitor may sublet the space allotted to him, or any portion thereof, without written consent of the Association prior obtained.**

10. Exhibit space will be allotted only to legitimate businesses, manufacturers or their duly authorized agents. Only the products as specified on the space contract form may be shown, sold or exhibited. **No articles which are offensive by reason of their odour, sound or appearance or which are dangerous by reason of their combustible or explosive character will be accepted or admitted.** If any such be admitted through misapprehension on acceptance or otherwise, they shall be removed by order of the Board.

INSURANCE

11. Contracts require all exhibitors to carry their own comprehensive liability policy with limits of coverage not less than **\$2,000,000** per occurrence, and where possible no deductibles. The Association requires a valid certificate of insurance providing proof of coverage and basic information regarding any deductible. The Association also requires that Western Fair Association, the Corporation of the City of London and any additional name(s), be named as "additional insured" for the period of occupancy contracted and any additional set up or removal periods. Please refer to your exhibitor contract for any further requirements.

12. **SPACE RENTAL(S) FEES ARE DUE AND PAYABLE UPON THE SIGNING OF THE SPACE CONTRACT UNLESS OTHERWISE SPECIFIED IN THE SPACE CONTRACT.**

13. In the event the space rental fees or any other charges are not paid in full by the close of the show, the exhibitor hereby grants to the Association a lien upon and the right to seize all articles, goods and equipment of the exhibitor in the said space allotted,

and to hold the same until payment. In the event payment is not made within thirty (30) days thereafter, the Association shall have the right to sell the said chattels, articles and equipment to satisfy its lien and costs incurred.

Conduct of Exhibits

14. **All exhibits must be open to the public and in charge with a competent attendant during all hours the show is open. Exhibitors must vacate their booths and the building within thirty minutes (30 min) after show closing with the exception of the final day.**

15. **Exhibitors must install, arrange and conduct their exhibits in the space allotted to them in a neat and orderly manner, and in such a way as not to be a menace or nuisance to other exhibitors.** In default of this, the allotment may be cancelled and the exhibit ordered removed to some other locality or from the building by the General Manager.

16. **Exhibitors must confine all exhibit activities to within the limits of the space allotted to them. Attendants and demonstrators are prohibited from operating outside on the Association's parking lots/property (excluding Fair), in the aisles or from extending their activities into the aisle in such a way as to be a nuisance or interference to the public or to other exhibitors.**

17. **Undue noise made in the operation of exhibits, or noisy, unseemly or unethical methods employed in sales or demonstration activities will not be tolerated.** All exhibitors must have an equal opportunity to conduct their own demonstrations without interference from their neighbours. The decision of what constitutes undue noise, unseemly or unethical methods shall rest with the General Manager, whose decision shall be final.

18. The use of public address systems, amplifiers or any other similar device in connection with an exhibit for the purpose of attracting attention thereto is prohibited.

19. **Exhibitors of machinery or other exhibits liable to cause accidents, injury or damage to persons coming in contact with them shall guard their exhibits and protect the public from coming in contact therewith. Every such exhibitor shall indemnify the Association and/or sponsors from and against all claims and demands, costs, charges and expense which it may incur, suffer or be put to by reason of any accident, for any person being injured or suffering damage through or by reason**

of any such exhibit not being properly protected, or the public not being properly guarded there from.

20. **Exhibitors showing mechanical devices or apparatus of any kind that are capable of motion, must regulate their operation to suitable intervals in order that unnecessary noise may not interfere with neighbouring exhibitors.**

21. No gasoline, propane, explosives, or other dangerous substances will be permitted in any of the buildings, except as in Section 42 and 43.

22. "Courtesy" cards, or notices of materials on loan must not be displayed in exhibition booths.

23. (a) All exhibits shall be kept in clean and tidy condition, and all sweeping, dusting, removal of refuse, etc. shall be done each day and completion not later than a half hour prior to opening. Refuse must be removed to bins provided for the purpose, and all debris after building or reconstructing of display stands must be cleared from the building by the exhibitor or the contractor employed by the exhibitor.

(b) **No spray painting** inside buildings for any purpose whatsoever, except with the express written approval of the General Manager. Paint touch-ups with brush permissible as long as proper steps are taken to prevent paint from spilling onto Western Fair property.

24. Exhibitors and contractors will not be allowed to distribute handbills or other advertisements about the grounds and buildings. Advertising matter may be distributed only from within the space in which an exhibit is installed. Any exhibitor distributing (either personally or by an agent) advertising matter which may be considered objectionable shall after he has been notified by the General Manager to discontinue such practice, forfeit his space and all privileges if he continues so to offend.

NOTE: STICKERS DESIGNED TO BE SELF-ADHERING TO CLOTHING AND/OR OTHER MATERIALS ARE BANNED FROM USE OR DISTRIBUTION DURING THE SHOW.

NOTE: EXHIBITORS AND CONTRACTORS WILL NOT BE ALLOWED TO CONDUCT SURVEYS ABOUT THE BUILDING(S)/ GROUNDS. SURVEYS CAN ONLY BE CONDUCTED WITHIN THE SPACE CONTRACTED.

25. No intoxicating liquor shall be brought to, or consumed in, or on the said exhibit space; or upon, or in any stand or booth erected thereon, with the exception of any alcohol themed events that have been approved by the Association.

26. No illegal game of chance, dice game, pool, coin table, draw lottery or other illegal games shall be operated or carried in or on the said exhibit space, or in or on any stand or booth erected thereon.

27. No gambling device shall be brought upon the said exhibit space or into or upon any booth or stand erected thereon.

28. No balloons of any type are allowed to be distributed at an event.

29. **NO LOTTERY OR DRAW** shall be conducted, sponsored or operated on the premises of the Association or in connection with any function thereon without the express written consent of the General Manager first having been obtained. Application in writing for such consent shall contain full disclosure of all terms, conditions and methods of operation of the lottery or draw. Any consent so given may be revoked at any time by the General Manager on any variance by the applicant or operator from the method of operation, term or conditions as disclosed. The decision of the General Manager on any variation shall be conclusive and final. The Western Fair Association will not be responsible for the payment of prizes, special premiums, or any form of sponsorship offered by Associations, Societies, Clubs or Individuals. The exhibitor must provide a copy of the ballot, prior to any consent being given. **Ballot must include your company name and the following disclaimer, "The information provided on this ballot is strictly confidential and will not be sold, loaned, rented, or given to any other individual or organization for any purpose, whatsoever."**

30. a) **NO FOOD SAMPLING** shall be conducted, sponsored or operated on the premises of the Association or in connection with any function thereon, without the express written consent of the General Manager first having been obtained. Application in writing for such consent shall contain full disclosure of all terms and methods of operation for the food sampling. Any consent so given may be revoked at any time by the General Manager on any variance by the applicant or operator from the method of operation, term or conditions as disclosed. The decision of the General Manager on any variation shall be conclusive and final.

b) **NO LIVE ANIMALS** will be allowed in the show or as part of the display, except with the expressed written approval of the General Manager, with the exception of seeing eye dogs.

31. The Exhibitor shall procure at his own cost and expense all provincial and municipal licenses and all permits necessary for the purpose of authorizing him to carry on business or to exhibit in the show.

Move In of Exhibits

32. Exhibitors will be granted access to the buildings prior to the opening of the show for the purpose of setting up their exhibits. **PLEASE REFER TO THE MOVE-IN/MOVE-OUT SCHEDULE INCLUDED IN YOUR EXHIBITOR PACKAGE FOR APPLICABLE DATES AND TIMES.**

33. Assistance will be available to move exhibit material from the truck to the booth prior to the Show and from the booth to the truck after the Show. However, the Sponsors and/or the Association will assume no responsibility for damage to any exhibit material because of this service.

Exhibit Construction

34. The erection of structures, decorations or exhibits shall conform with adjoining exhibits and general layout of the building. **All workers must adhere to the Occupational Health & Safety Act and any other applicable legislation.** In all areas, except the SPECIAL EVENTS BUILDING and LOWER CONFEDERATION BUILDING, standard booths are 10 ft. frontage by 10 ft. deep (3.05 m by 3.05 m). The booth consists of an 8 ft. (2.44 m) high backdrop with installed 8 ft. (2.44 m) dividers that extend 5 ft. (1.525 m) from the backdrop. The remaining 5 ft. (1.525 m) is a divider at a height of 3 ft. (.915 m). All backdrops and dividers will be composed of drapery material, with the exception of the Food Court (see Rule #66).

35. All signs, wings, background, display material or storage area over 3 feet (.915 m) in height must be erected or placed within 5 feet (1.525 m) from the main background. Signs are to be hung from main ceiling support, and must not hang from pipes, conduits or electrical track and must not protrude into aisles or walkways. Signs must not be attached directly to Western Fair supplied curtains, either by pins, glue, tape or hooks. Anything erected above the booth partitioning near or on a boundary line of a booth must be finished in a neat workmanlike manner

on both sides so that a raw or unfinished side is not left exposed to the next exhibit and must be free of any wording, graphics etc. Exceptions to this regulation can only be made by special arrangement with the General Manager and may require special locations.

All exhibits must be clearly signed such that the Exhibitor's company name is easily identified by the public.

36. No signs, fixtures, or decorative materials shall be allowed to overhang the aisles, and such signs and materials must not encroach upon neighbouring exhibits in such a way as to be a menace, interference or nuisance.

Signs may not be hung from water lines, sprinkler pipe or electrical track/duct. Signs must be hung from the building structure.

37. The use, for decorative purposes, of paper of any kind or other material tends to create a fire hazard and will not be permitted.

37A. Exhibitors that bring in and lay their own booth carpet are requested to purchase the appropriate carpet tape from the official Show Supplier.

38. The General Manager shall have the right to prescribe the material to be used in the construction of booths or signs, show cards, tablets, or the like, and to regulate their dimensions and positions, and generally to direct the arrangement of articles on exhibition, so far as the same may be necessary to secure the harmony and an attractive appearance, of which the General Manager shall be the sole judge.

39. Exhibits should be in place and in complete readiness the evening before the opening of the show.

40. No exhibits, nor any part of an exhibit, will be permitted to be removed before the close of the Exhibition.

40 a) Exhibitors acknowledge and accept that the Association is committed to providing a Healthy and Safe work environment for it's employees and for those who contract work or participate in activities on the property or in the facilities of the Association. This commitment applies to any contract. The Exhibitor or Contractor shall abide by the Occupational Health and Safety Act and Regulations and any work guidelines provided by the Association or any other legislation or Authority and agrees that the Association's employees may intervene at any

time to insure adherence to such regulations and guidelines.

Sale of Goods

41. All reasonable latitude will be allowed Exhibitors in the taking of orders for the sale of articles on exhibition, but delivery of any article will not be permitted until the close of the Show, unless the exhibitor has purchased a retail selling privilege.

42. A RETAIL SELLING PRIVILEGE WILL BE GRANTED to any bonafide exhibitor upon advance written application, including item(s) to be sold and payment of the retail rental rate for that booth space.

All vendors to erect professional signage, clearly visible in booth, stipulating any and all warranty, exchange and refund polices. If no such policy is posted, it is understood that any and all monies paid are 100% refundable.

Soliciting subscriptions for any newspaper or periodicals is prohibited except where special permission is granted by the General Manager. If the privilege is desired, written application must be made by the publisher to the General Manager at least ten (10) days prior to the opening of the Show, giving complete details of the proposed method of operation.

Safety and Protection of Exhibits

43. Any exhibitor requiring the heating or cooking of any material or food product must use equipment and methods approved by the Fire Inspector and Fuel Safety Division of TSSA and have an approved type of extinguisher in the exhibit.

44. a) Exhibitors of vehicles containing gasoline will be required to limit the storage of gasoline in each vehicle to one gallon (4.54 litres). Precautions must be taken to render the vehicles inoperable. All batteries must be disconnected and gas and propane caps sealed.

b) Exhibitors that connect to a natural gas connection must have a CO monitor and fire extinguisher in the booth.

45. Helium tanks etc. must be properly secured and stored.

Customs

46. **The Sponsors and/or Association accepts no responsibility for the safety of materials and articles sent or brought to the show, all such materials and articles remain at the sole risk of the Exhibitor.**

47. The Sponsors and/or Association shall not be liable for any loss to an exhibitor occasioned by fire, flood, accident, condition of structure, or the negligence of other exhibitors, officials or otherwise, howsoever.

48. Watchmen will be doing their regular security patrol. The Association and/or Sponsors will not be responsible for goods or materials left on the premises at any time.

Special attention should be given to the protection of portable materials prior to the Exhibition when exhibits are in the course of preparation, and after the building closes on the final day when exhibits are being removed.

Drayage and Service of Exhibit Materials

49. Shipments of exhibit material unaccompanied by their owners may be consigned through Association's Official Show Supplier Representative entirely at the owner's risk. By contacting this company, your exhibit material will be received at a location designated by the show supplier. Pricing and handling questions will be handled by the Official Show Supplier Representative. **No shipments will be accepted on WFA grounds until the first official day of move in.**

NOTE: Exhibitors may make arrangements for available display services, trades people and labourers by contacting the Association's Official Show Supplier Representative.

50. **Exhibits must be serviced one half hour prior to opening each day of the Show.**

51. Firms wishing to rent occasional furniture, plants etc. may make arrangements by contacting the official show supplier to render this service for which the exhibitor agrees to assume all costs.

52. To facilitate the clearing of Canadian Customs with products and/or materials to be displayed, exhibitors out of country are responsible for making the necessary arrangements with the brokerage firm of their choice. The Association will not be liable for any costs etc. associated with the clearing of products.

Removal of Exhibits

53. **PLEASE REFER TO THE MOVE-IN/MOVE-OUT SCHEDULE INCLUDED IN YOUR EXHIBITOR PACKAGE FOR APPLICABLE DATES AND TIMES.**

54. All exhibitor material of any description must be removed from the buildings and grounds by the exhibitor. Exhibitors must arrange for the removal of their exhibits, under their own supervision, at the termination of the Show. **No exhibit, nor any part thereof, may be removed prior to the actual close of the Show unless ordered by the General Manager. It is highly recommended that exhibitors have competent attendants in their booths after the closing hour on the closing day of the Show to ensure proper packing and to prevent the loss of any articles. Any early tear downs will jeopardize participation and space location in future shows.**

Any exhibit(s) not removed from the building or the grounds, by the end of the specified move out deadline, will be charged a "late fee" as noted on your move-in/move-out schedule.

All Parking Lot areas must be kept free of equipment and machinery.

NOTE: Temporary equipment holding area is located in the Rectory Street Lot, South of the tracks.

55. **Exhibitors are requested to note that space contracts are valid for the period of the Show only, and no contract implies that the same space, or amount of space, will be contracted for in another year. All space during the balance of the year will be used by the Association at its discretion.**

56. Truckers will not be allowed into the building to pick up any exhibits on the final day, until one half hour (30 min) following the close of the show, with the exception of the Annual Fair. See rule # 74.

57. The Association reserves the right to re-allocate all locations or booths that have not been reserved six (6) months prior to the next year's show.

Admission to the Buildings

58. Admission to the buildings will be controlled. Exhibitors should have proper identification at all times.

A complement of non-refundable admission passes, as shown on the Exhibitor's space contract, will be made available to Exhibitors. Exhibitors can purchase additional passes from the show office. Annual Fair (See #72)

59. Once final payment has been received, exhibitors are entitled to a complement of admissions pro-rated on the basis of the number of booths rented.

Electrical Supply

60. Subject to availability, the basic booth rental without further charge includes an allotment of hydro units as specified on your exhibitor contract, as long as the proper forms have been completed and returned to the show supplier by the deadline date. Maintenance and hydro inspection of the Association electrical equipment is supplied. For the Annual Fair (see Rule #75 & 76). Additional outlets (lights or 110 V plugs) may be obtained from the Show Supplier at a rental charge while supplies last.

61. Any material or equipment requiring special wiring services will have the work done by Association electricians and the costs involved will be billed to the exhibitor requiring this special service.

Note: All displays or equipment requiring hydro to operate a water display, eg. sauna, whirlpool, fountains, etc., must be equipped with a ground fault circuit interrupter and be CSA approved or equivalent. Please visit www.esasafe.com for more information and required Permission to Show and/or Permission to Energize forms.

62. All wiring and hook-ups must be done by an Association electrician with the exception of maintenance on exhibitors' equipment or the pre-wired portion of any exhibit.

Maintenance and inspection of Exhibitor's equipment or pre-wired portion(s) of any exhibit is the responsibility of the Exhibitor.

Services

The installation of, or connections to, natural gas appliances or equipment must be done by a licensed gas fitter, according to THE ONTARIO GAS UTILIZATION CODE. All connections must be tagged and include identification of fitter including license number. All equipment must be C.S.A. approved. Please visit www.esasafe.com for more information and required Permission to Show and Permission to Energize forms.
